

Kern Council of Governments

Please Join Us at a Public Workshop to

# Develop a Bicycle Master Plan for Kern County

## WHEN

January 12, 2012  
2:00 - 4:00 p.m.

## WHAT

The Kern Council of Governments (KernCOG) is working on improving bicycling throughout the County. The project will guide the development of bicycle and pedestrian facilities and programs in the area over the next several years.

You are invited to join us for a public workshop to discuss issues relating to bicycling, help identify locations where bicycle facilities are most needed, and brainstorm solutions for the County.

## QUESTIONS?

If you have questions or can't make the meeting and would like to learn about more ways to participate please contact Pete Smith.
